ABOUT US...

Guruji College of Nursing, Bhubaneswar is approved by the Government of Odisha, recognized by the Odisha Nurses & Midwives Council, and affiliated to Odisha University of Health Sciences (OUHS).

At Guruji College of Nursing, we are committed to providing quality nursing education with excellence in academics, clinical training, and compassionate healthcare service. Our mission is to develop skilled, confident, and caring healthcare professionals who can serve society with dedication and professionalism.

The college offers experienced faculty, modern laboratories, digital learning facilities, and valuable clinical exposure through affiliated hospitals and healthcare institutions. Located in a student-friendly environment, we focus on holistic development, practical learning, discipline, and career-oriented training to prepare students for successful careers in healthcare both in India and abroad.

Chairman's Message

Dr. Sukanta Kumar Biswal

(Chairman)

Guruji College of Nursing

"Dear Students, Faculty, & Esteemed Visitors,

It is with great pride and pleasure that I welcome you to Guruji College of Nursing, an institution committed to excellence in nursing education, research, and service.

Nursing is more than a profession—it is a calling to serve humanity with compassion, dedication, and clinical excellence. At Guruji College of Nursing, we strive to nurture not only the academic and technical competence of our students but also their moral and ethical values. We believe that our students are future leaders in healthcare, and it is our responsibility to empower them with knowledge, skills, and confidence to make a meaningful difference in the lives of others.

As Chairman, I extend my heartfelt gratitude to all stakeholders, students, parents, faculty members, and partners for your unwavering support and belief in our vision. Let us continue to work together to uphold the values of care, integrity, and excellence that define our institution."

To be a premier institution recognized for excellence in nursing education, research, and compassionate healthcare service, empowering nurses to be global leaders and advocates for human well-being.

Our mission is to deliver high-quality nursing education that promotes clinical excellence, ethical practice, and compassionate care, shaping skilled professionals committed to serving humanity with dignity and integrity.

PHILOSOPHY AND OBJECTIVES

At Guruji College of Nursing, our primary aim is to inspire and prepare students with strong nursing knowledge, skills, and values, especially those belonging to rural communities. The institution is dedicated to empowering students through quality nursing education and contributing to the improvement of society by promoting physical, mental, social, and spiritual well-being among people.

We believe that nursing is not only a profession but also a service to humanity. Therefore, students are guided to perform their duties with compassion, dedication, love, and respect, treating every patient with the same care they would offer to their own family members. The college is committed to supporting deserving candidates from all backgrounds, irrespective of caste, creed, or religion, and encouraging them to provide quality healthcare services to the community.

Guruji College of Nursing strives to create highly skilled, disciplined, and compassionate nursing professionals in a homely, positive, and spiritually enriched learning environment. The institution focuses on the overall development of students by enhancing their professional skills, ethical values, personality, confidence, and character. Inspired by the ideals of Florence Nightingale, students are trained to uphold the dignity and nobility of the nursing profession and become socially responsible, spiritually aware, and professionally competent healthcare providers.

To ensure holistic growth, the institution also promotes physical fitness, sports, games, moral education, and spiritual development alongside academic excellence, helping students become responsible and caring members of society.

Programme Overview

Guruji College of Nursing, Approved by Government of Odisha, Recognised by Odisha Nurses and Midwives Registration Council (ONMRC), and Affiliated to Odisha University of Health Sciences (OUHS) & Odisha Nurses and Midwives Examination Board (ONMEB)

Guruji College of Nursing is committed to shaping skilled, compassionate, and dedicated healthcare professionals who can serve society with excellence and humanity. The institution focuses on providing quality nursing education through academic excellence, experienced faculty, modern teaching methods, and a supportive learning environment that encourages the overall development of students.

The college aims to prepare students to become professionally competent nurses with strong ethical values, leadership qualities, and a spirit of service. Special emphasis is given to empowering students from rural and underserved communities by providing them with opportunities for higher education and professional growth in the field of nursing.

Courses Offered

- ❖ *General Nursing and Midwifery (GNM) – 3 Years Diploma Programme*
- ❖ *Bachelor of Science in Nursing (B.Sc. Nursing) – 4 Years Degree Programme*

Nursing is one of the most respected and essential professions in the healthcare system. Nurses play a vital role in patient care, health education, disease prevention, and community welfare. In today's rapidly changing healthcare environment, nursing professionals are expected to possess not only clinical knowledge and technical skills but also compassion, critical thinking, communication ability, and professional ethics.

At Guruji College of Nursing, students are trained to provide quality healthcare services with dedication, empathy, and responsibility. The institution strives to create a homely, disciplined, and spiritually enriched atmosphere where students can grow academically, physically, morally, and socially.

By the completion of the programme, graduates will acquire strong theoretical knowledge, practical clinical experience, professional confidence, and effective communication skills required for modern healthcare services. They will be well-prepared to work in hospitals, community health centers, educational institutions, and various national and international healthcare organizations. The institution also encourages students to pursue higher education, research, and lifelong learning while upholding the dignity and values of the nursing profession inspired by Florence Nightingale.

Anti-Ragging Policy

Ragging in any form is strictly prohibited at Guruji College of Nursing. The institution follows a zero-tolerance policy towards ragging as per the guidelines of the Government of Odisha, UGC, and Odisha Nurses & Midwives Registration Council (ONMRC).

Any student found involved in ragging—whether physical, verbal, emotional, mental, or online—will face strict disciplinary action, including suspension or expulsion from the institution. An Anti-Ragging Committee and Anti-Ragging Squad are constituted to ensure a safe, disciplined, and supportive environment for all students.

All students and parents/guardians are required to submit an Anti-Ragging Undertaking at the time of admission.

Faculty

Guruji College of Nursing has highly qualified, experienced, and dedicated faculty members who are committed to the academic excellence and overall development of the students.

The faculty actively participates in conducting seminars, workshops, symposiums, research activities, clinical demonstrations, and practical training programmes in various aspects of nursing education and healthcare practice. They continuously guide and motivate students to develop professional skills, ethical values, leadership qualities, and confidence required for the nursing profession.

Infrastructure / Physical Facilities

Lecture Halls

The lecture halls at Guruji College of Nursing are spacious, well-ventilated, and equipped with modern teaching aids to provide an effective learning environment. Smart classroom facilities, audio-visual equipment, and comfortable seating arrangements help students gain better academic understanding and interactive learning experience.

Library & Internet Facilities

Guruji College of Nursing provides a well-equipped library with a rich collection of nursing books, journals, reference materials, magazines, and digital learning resources to support academic and research activities. The institution also offers internet facilities with access to online educational resources, e-journals, and study materials to enhance the knowledge and learning experience of students and faculty members.

Laboratories

Guruj College of Nursing has spacious and fully equipped laboratories where various nursing procedures and clinical skills are demonstrated to students for effective practical learning. The laboratories provide hands-on training opportunities to help students develop professional knowledge, technical skills, and clinical competence in different areas of nursing practice.

Laboratories Available

1. Nursing Foundation Lab
2. Obstetrics & Gynaecology (OBG) Lab
3. Child Health Nursing (Paediatric) Lab
4. Nutrition Lab
5. Community Health Nursing Lab
6. Advanced Skill Lab
7. Pre-Clinical Science Lab (Anatomy, Physiology, Biochemistry & Microbiology)
8. Computer Lab

Community Health Nursing

Guruji College of Nursing gives special emphasis to Community Health Nursing to prepare students for providing healthcare services at the community level. Students are trained to promote health, prevent diseases, and create awareness regarding hygiene, nutrition, maternal and child health, immunization, and public health programmes.

The institution provides community-based clinical training through health camps, surveys, home visits, school health programmes, and rural and urban community postings. These activities help students develop practical knowledge, communication skills, leadership qualities, and a sense of social responsibility towards community healthcare services.

Hostel Facilities

Guruji College of Nursing provides safe, secure, and hygienic hostel facilities for students with a comfortable and disciplined residential environment. The hostel rooms are well-maintained with proper ventilation, clean drinking water, and essential amenities to ensure a homely atmosphere for students.

Nutritious and healthy meals are provided with special attention to cleanliness and hygiene. The hostel also maintains proper supervision, security, and study-friendly surroundings to support the academic and personal development of students.

Clinical Facilities

Guruji College of Nursing provides excellent clinical exposure and practical training opportunities through affiliations with reputed Government and Private Hospitals. Students gain hands-on clinical experience in various specialties under the supervision of experienced doctors, nursing officers, and faculty members.

Government Hospitals

- District Headquarters Hospital Khordha
- Capital Hospital
- SCB Medical College and Hospital

Private & Corporate Hospitals

- Hi-Tech Medical College & Hospital
- SUM Hospital
- Apollo Hospitals
- Manipal Hospitals

These clinical training facilities help students develop practical nursing skills, patient care techniques, communication abilities, leadership qualities, and professional confidence required in modern healthcare services.

Extra-Curricular Activities

Guruji College of Nursing encourages students to actively participate in various extra-curricular activities for their overall personality development and mental well-being. The institution regularly organizes cultural programmes, sports and games, seminars, workshops, health awareness campaigns, community outreach activities, observation of national and international health days, yoga sessions, and personality development programmes.

Students are motivated to take part in indoor and outdoor sports, debate competitions, quiz programmes, annual functions, and social service activities to develop leadership qualities, teamwork, communication skills, confidence, and creativity along with academic excellence.

Educational Visit

Guruji College of Nursing organizes educational visits and field trips for students to enhance their practical knowledge and exposure to different healthcare settings. Students are taken to hospitals, community health centers, rehabilitation centers, public health institutions, and other healthcare organizations to gain real-time learning experiences.

These educational visits help students understand healthcare management, patient care systems, community health services, and modern medical practices while improving their observational skills, communication abilities, and professional confidence.

Transportation

The college buses are available for students to provide practical exposure

Conclusion

Guruji College of Nursing is committed to providing quality nursing education with a strong focus on academic excellence, practical training, discipline, and compassionate patient care. The institution strives to develop skilled, confident, and ethically responsible nursing professionals who can meet the growing healthcare needs of society.

With experienced faculty members, modern infrastructure, well-equipped laboratories, clinical exposure in reputed hospitals, and a student-friendly learning environment, the college ensures the holistic development of every student. Along with professional education, equal importance is given to moral values, leadership qualities, communication skills, and community service.

The institution continues to inspire students to uphold the dignity and nobility of the nursing profession and become socially responsible, spiritually aware, and professionally competent healthcare providers dedicated to serving humanity with care and compassion.
